ITEM NO. 2.

DATE OF MEETING: November 19, 2012

REQUESTED BY: Judith Herring, Housing Director

SHORT TITLE: Presentation by Dale Holland, Holland Consulting Planners of the Pender County Housing Needs Assessment Survey.

BACKGROUND: At the May 7, 2012 Board meeting, the County approved a contract with Holland Consulting Planners to perform a survey seeking information regarding the need for Work Force housing, Senior Housing, Low-income Housing and other critical housing needs. The information is needed to assist the Housing Department, Planning Department and other interested parties as they develop plans for growth and infrastructure development in the County. It will also assist outside parties who are interested in developing housing in the County by focusing attention on the areas of greatest need.

Mr. Dale Holland will present a Power Point Presentation of the survey results and will provide hard copies of the full report to the Board for review. A vote to accept the report will be requested at a later date after the Board has had time to review the information.
