REQUEST FOR BOARD ACTION

ITEM NO. 8.

DATE OF MEETING: January 18, 2011

REQUESTED BY: Erik Harvey, Director; Jan Dawson, Addressing Coordinator – ITS Department

SHORT TITLE: Public Hearing and Resolution Adopting a Resolution Assigning Road Names and Reassigning Street Numbers for Eleven (11) Mobile Home Parks

BACKGROUND: The Pender County Property Addressing and Display Ordinance provides that official street numbers may be changed upon proper official notice to the property owner and public agencies.

When Pender County adopted Enhanced 911 the mobile home parks were assigned one common address. There are a large number of mobile home parks within the county that have more than one access entrance. This addressing scheme makes it difficult for the 911 Center to track calls and having a common address for the entire park makes it impossible to pinpoint the exact location from which the call originated.

The Pender County Road Naming Ordinance provides that when a public or private road provides access to more than 3 residences a road name shall be assigned. Mobile home park addressing does not comply with this county policy.

Therefore, to avoid conflicts and delays with emergency and public safety responses, and to provide for conformance with the County's addressing and road naming ordinances, the request is made to assign road names and to reassign addresses for the attached mobile home parks.

The public hearing notice has run in the Pender Post and the Topsail Voice, has been placed in the county courthouse and in the appropriate post offices. The public hearing signs have also been posted at the entrances of each affected roadway.

SPECIFIC ACTION REQUESTED: To hold a public hearing; and to consider a resolution assigning road names and reassigning street numbers for the following mobile home parks.

COUNTY MANAGER'S RECOMMENDATION
