Senior Planner O'Hare presented and gave background information for agenda item six (6). Tracy Lange, applicant, thanked staff for their assistance and stated that she felt there was a need for pet grooming services in Pender County so residents would not have to get those services from other counties. Board member Edens asked the applicant if the only desire was grooming; Ms. Lange answered yes, there would be no type of boarding services provided and explained her experiences and business plan. Board member McClammy asked if the Zoning Text Amendment was approved would it allow this type of service in a residential area; Senior Planner O'Hare explained the zoning districts that the service would be allowed in and stated that it would not be a home occupation that is allowed in the Residential Performance (RP) district.
