**RE: Water Capacity
Sparrows Bend Development**

Mr. Logan:

Please find this letter as written confirmation that, at this time, Pender County Utilities has sufficient water capacity to provide water service to the proposed Sparrows Bend Development, including up to 135 Single Family Residences, and up to 264 Apartment. Please note that capacity is allocated on a first come, first serve basis.

PCU must review preliminary design plans for the proposed waterline extensions required to serve this development, when they are complete and submitted for our review.

Please feel free to contact me should you have any questions pertaining to this matter.

Thank you,

Bryan McCabe, PE, Project Engineer
Pender County Utilities
