July 11<sup>th</sup> 2001

Dear Ms. Brill,

**Thank you** for supporting the American Red Cross blood drive on July 24<sup>th</sup>. During the months of summer we struggle to maintain an adequate blood supply. As I write this we have issued a nationwide appeal for blood. Your blood drive is a precious gift to your community and the hospitals that we serve.

I would like to acknowledge the extensive contribution and leadership of Mike Taylor and his supporters. The blood drives are always managed in an extremely professional manner. Many of our staff members remark at how well the Pender County blood drives are organized and how positive and supportive everyone is. I truly wish that all of my blood drive sponsors were as talented at project management and as dedicated as Mr. Taylor.

We are grateful to everyone who participates to help us meet our obligations to our hospitals and blood recipients. Your support truly saves lives.

Sincerely,

Tanya Tilley-Hall
