**RESOLUTION OPPOSING A
NAVY OUTLYING LANDING FIELD (OLF) IN PENDER COUNTY**

WHEREAS, the Pender County Board of Commissioners is opposed to the placement of a Navy Outlying Landing Field (OLF) in Pender County or any location that would affect the economic growth and quality of life in Pender County; and

WHEREAS, this facility would take many acres of privately owned property in Pender County from our tax base and would include many acres of controlled areas (air and ground); and

WHEREAS, the tax value of the of the property will be highly affected, including the real property loss of property within the expected restricted air space, and residences will be impacted, including outbuildings and farm structures; and

WHEREAS, placement of the OLF in Pender County or any location affecting future economic growth of Pender County would be devastating to our economy, disruptive to our fishing and hunting areas, and would permanently prevent a more desirable form of economic development.

NOW THEREFORE BE IT RESOLVED, that the Pender County Board of Commissioners strongly oppose the placement of a Navy Outlying Landing Field (OLF) in Pender County and wish to permanently end consideration of Pender County or any location affecting the future economic growth of Pender County as a location for the United States Navy's Outlying Landing Field.

Adopted this 1st day of October, 2007.

F.D. Rivenbark, Chairman

Clerk to the Board
