Hello:

Thank you for agreeing to put our student government on the agenda for Monday November 19th @ 5:00 at the Pender County Commissioner's meeting. We would like for our student government to extend an invitation to the county commissioners to attend our 2nd annual 21st Century Skills Luncheon at Carrabba's Italian Grill on Friday December 5th starting at noon.

The purpose of the luncheon is for our students to showcase their learned 21st Century Skills as developed by the Secretary's Commission on Achieving Skills Necessary for the world of work. Some of these skills include: communication, creative thinking, decision making, problem solving, responsibility, integrity, leadership, diversity, time management, organization, and teamwork.

The proprietor of Carrabba's, Mr. Jonathan O'Donnell is a Pender Early College business alliance member and graciously opens his restaurant for the Pender Early College for this special luncheon celebration. The students will be extending an invite for each of you to enjoy the luncheon and serve as a VIP at various tables along with our students.

Mr. Dan Sidor, our Civics, Economics, and US History teacher will be accompanying our students to the county commissioner's mtg on Monday November 19th at 5:00 p.m.

We look forward to the possibility that the commissioners will be able to attend the luncheon. We thank you in advance for this very important "teach-able" opportunity on behalf of Pender Early College.
