**Short Title:** Resolution Authorizing The North Carolina Geodetic Survey To Survey The County Boundary Line With The County's Consent At No Charge

- Request Status:**
- Request is proceeding to Board of Commissioners
  - More information is needed – see attached
  - Request on hold – no further information needed
  - Other:

**Background:** There is a Discrepancy between the location of the Pender and Onslow County boundary line which dates back to 1905 when an act was passed to allow commissioner for both counties to have the line surveyed, no description was ever recorded. There were other attempts to resolve the line discrepancy, but no survey was ever put on record. Currently, Onslow is accounting for about 8,000 acres that is located within Pender County by the current "approximate" county line. Survey maps and deeds are being recorded using this "approximate" county line and the line needs to be identified for the safety and wellbeing for the citizens of Pender County. The North Carolina Geodetic Survey will survey the line with the County's consent for no charge.

(Administrative Use Only)

**Specific Action Requested:** The Board is requested to approve the attached resolution authorizing the North Carolina Geodetic Survey to survey the County Boundary Line at no cost to Pender County.

## RESOLUTION AUTHORIZING COUNTY LINE SURVEYING

**WHEREAS**, the North Carolina Geodetic Survey has been designated and funded by the North Carolina General Assembly to assist with the resurvey of ambiguous or uncertain county boundaries; and

**WHEREAS**, the work can be done at the invitation of the counties involved at no cost to the county government; and

**WHEREAS**, in order to initiate the process, the county should identify the county's ambiguous or uncertain boundaries and must appoint a "Special Commissioner of Boundaries"; and

**WHEREAS**, the Counties of Onslow and Pender have already made such requests.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Commissioners of Pender County that:

1. As a result of the age of the current tax maps and the unavailability of reliable survey data, the Board deems that the boundary line between Onslow and Pender are uncertain.
2. The Board hereby appoints Mr. Jerry Simmons, GIS Administrator, as Pender County's Special Commissioner of Boundaries.
3. The Board of Commissioners requests that Pender county's lines be surveyed by the North Carolina Geodetic Survey.
4. This resolution shall be in full force and effect upon its adoption this the 10<sup>th</sup> day of October, 2008.
