ITEM NO. 13.

**DATE OF MEETING:** May 4, 2009

**REQUESTED BY:** Dee Turner, Director of Parks and Recreation

**SHORT TITLE:** Resolution Authorizing a Purchase Order to Miracle Recreation Equipment Company for Playground Equipment: Pender Memorial Park Expansion; \$55,000

**BACKGROUND:** Miracle playground equipment was installed at Hampstead Kiwanis Park. Prior to installing that equipment, a sub-committee did extensive research on the various playground equipment and companies. Miracle playground equipment was unanimously the choice by the sub-committee. Since installing the equipment in 2006, we have not had any problems, defects, etc., with the equipment. Miracle playground equipment has several exclusive playground equipment items, one of which is included in this design. The playground equipment and border timbers are on sale. This sale also includes free freight on the playground equipment plus a free bench. The total amount requested includes the playground equipment, wear mats for under swings and at the end of slides, accessible surfacing (wood fibers) and timbers to border equipment and hold in wood fibers and benches for outside the bordered area for adult supervisors. The total savings for ordering this equipment and other items at this time is \$13,712.

Funds are budgeted in Capital Outlay 60-407434-6036

**SPECIFIC ACTION REQUESTED:** Approval of a purchase order to Miracle Recreation Equipment for the playground equipment at Pender Memorial Park Expansion.
