REQUEST FOR BOARD ACTION

ITEM NO. 21.

DATE OF MEETING: May 18, 2009

REQUESTED BY: Jan Dawson, Addressing Coordinator/Erik Harvey, Director ITS Dept.

SHORT TITLE: Public Hearing to Name and Address West Bay Road and Horace Lane

BACKGROUND: Under the authority and provision of the General Statutes of North Carolina, Chapter 153A-239.1, a county may by ordinance name a road and assign street numbers for use on such a road. The statute requires that a public hearing be held on the matter.

According to Article III, Section 302 A., when a public or private road provides access to more than 3 residences, businesses, industries, or combinations thereof, regardless of the length of such road, a road name shall be assigned. The property owners shall provide Pender County a petition with the proposed road name.

According to Article I, Section 103 of the Pender County Property Addressing and Display Ordinance, as conditions merit, such official numbers may be changed upon proper official notice to the property owner and public agencies.

There are five existing structures on these roadways. These structures will receive new addresses if the road naming request is approved.

The Legal Notices have been properly posted and the residents have been notified by mail. A petition is also on file.

Please see attached map for location of proposed roads and see attached petition.

SPECIFIC ACTION REQUESTED: The Board is requested to hold a public hearing to determine if the County should name and address West Bay Road and Horace Lane; and to consider approval of a resolution adopting the naming and addresses proposed.
