Charge

The goal of the Web Advisory Committee is to identify, advise, and advocate for web needs and services for Pender County. The Committee considers and recommends web-related policies and procedures. The Committee takes a proactive role in promoting the integration of web and new media into the daily life of the Pender County Government. The Committee's efforts will also ensure that the County's mission and goals are served in short and long-term web planning.

The Committee Will

- Examine issues that affect the content, design, organization, and technical aspects of Pender County's home page and its links
- Recommend policies and strategies for addressing those issues
