

## PUBLIC INFORMATION

ITEM NO. 2.

**DATE OF MEETING:** July 12, 2010

**REQUESTED BY:** Mike Taylor, Director - Pender County Public Library

**SHORT TITLE:** Update on Development of Topsail Regional Library

**BACKGROUND:** Topsail Regional Library has been under schematic design as budgeted. Architects will be presenting the results of that process including floor plan, exterior rendering, and preliminary cost estimates. The building committee team composed of library director Mike Taylor, Hampstead branch manager Marsha Dees, Library Board chair Kathy Sabella, and president Kay Guimond of the Topsail Township Friends of the Library have been working with the architects throughout the process providing feedback. Mike Taylor will share a brief overview of the project, site issues and solutions, followed by an introduction of the schematic design by a team led by Louis Cherry of Cherry Huffman Architects.
