

## REQUEST FOR BOARD ACTION

ITEM NO. 23.

**DATE OF MEETING:** August 16, 2010

**REQUESTED BY:** Erik Harvey, Director, ITS Department; Jan Dawson, Addressing Coordinator, ITS Department

**SHORT TITLE:** Public Hearing and Resolution Adopting a Resolution Reassigning Street Numbers for Pinehurst Circle

**BACKGROUND:** The Pender County Property Addressing and Display Ordinance provides that official street numbers may be changed upon proper official notice to the property owner and public agencies.

The Hampstead Community was not included in the initial readdressing when Pender County adopted Enhanced 911 in the early 1990's. The majority of the subdivisions in Hampstead were addressed by the Hampstead Post Office, which included Greenway Plantation. The residents on Pinehurst Circle were issued addresses utilizing the block system numbering scheme. Pender County's policy is to issue even numbers on the right side of the roadway and odd numbers on the left side of the roadway. It is also policy to assign addresses in ascending order. Pinehurst Circle addressing does not comply with this policy.

Therefore, to avoid conflicts and delays with emergency and public safety responses, and to provide for conformance with the County's addressing ordinance and consistency in street numbering, the request is made to correct the addressing errors on Pinehurst Circle.

The public hearing notice has run in the Pender Post and the Topsail Voice, has been placed in the county courthouse and in the appropriate post office. The public hearing signs have been posted at the entrances of each affected roadway. The legal notice was also mailed to each individual landowner.

**SPECIFIC ACTION REQUESTED:** To hold a public hearing; and to consider a resolution reassigning street numbers on Pinehurst Circle.

## COUNTY MANAGER'S RECOMMENDATION

Respectfully recommend approval.
