

## REQUEST FOR BOARD ACTION

ITEM NO. 10.

**DATE OF MEETING:** November 1, 2010

**REQUESTED BY:** Michael Mack, Director

**SHORT TITLE:** Resolution Authorizing a Purchase Order to Rogers Manufacturing Company for a Storage Building to House Recyclable Electronics at the Rocky Point Convenience Site: \$5,183

**BACKGROUND:** Since the spring of 2009, the County has been holding two (2) electronics recycling events each year to provide residents with the opportunity to dispose of their end-of-life electronics with a certified recycler, thereby keeping them out of the landfill. Effective July 1, 2011 state law will prohibit the disposal of end of life electronics in the landfill.

In 2009, Pender County applied for and received a grant from NC DENR in the amount of \$12,000 which required a \$2,400 local match. The objective of the grant was twofold: To purchase recycling bins for the schools to assist in implementing a recycling program at all 15 campuses, and to acquire a storage facility for Pender County to use in collecting recyclable electronics and to assist us in implementing an electronics disposal program for the residents of Pender County. The school recycling component was completed in May of 2009 at a total cost of \$8764.40, leaving \$5,635.60 remaining to address the storage issue.

Staff has evaluated the costs to acquire shipping containers, versus the custom built shed with overhead door and ramp. The Rogers group has given us a quote of \$5,183 to construct and install a storage building that will match the existing gatehouse at the Rocky Point Convenience Site. Staff recommends this as the best option for electronics recycling at this time. Funds have been carried over from 2009 and are budgeted in this fiscal year.

**SPECIFIC ACTION REQUESTED:** To consider a resolution authorizing the purchase of a storage building from Rogers Manufacturing Company in the amount of \$5,183.

**COUNTY MANAGER'S RECOMMENDATION**

Respectfully recommend approval.
