SHORT TITLE: Closeout Public Hearing for the FY08 CDBG Scattered Site Grant

BACKGROUND: The County received a CDBG grant from the Division of Community Assistance in the amount of \$400,000. All activities related to this CDBG program have been completed and the county is in the process of closing out the program.

SPECIFIC ACTION REQUESTED: As part of closeout, the County is required to hold a public hearing for citizen comments prior to submittal of the Certificate of Completion to the Department of Commerce.

No other action is required after the public hearing.
