

REQUEST FOR BOARD ACTION

ITEM NO. 7.

DATE OF MEETING: May 16, 2011

REQUESTED BY: Carson Smith, Sheriff

SHORT TITLE: Resolution Authorizing Issuance of Purchase Order: Giddeons' Electrical Service for the 911 Center Uninterrupted Power Supply Project for \$19,450.00

BACKGROUND: We currently have several small uninterrupted power supplies (UPS) that are in use in the 911 Center for computer servers, computer workstations, radios and other equipment. These small power supplies have not been able to protect from surges in the past and the cost to replace batteries in them is becoming quite high. Just last week we had a surge that temporarily knocked out our network and took several hours to completely recover from. This project would put a large UPS in place to allow uninterrupted power and surge protection to the entire 911 Center. It would be able to be relocated in the event of a move to another facility. It will be funded 50% from the Sheriff's budget and 50% from the 911 budget.

This expenditure has been budgeted in the FY10-11 Budget Ordinance.

SPECIFIC ACTION REQUESTED: The Board of Commissioners is requested to authorize a purchase order to Giddeons' Electrical Service for the 911 Center Uninterrupted Power Supply Project in the amount of \$19,450.00

COUNTY MANAGER'S RECOMMENDATION

Respectfully recommend approval.
