

REQUEST FOR BOARD ACTION

ITEM NO. 12.

DATE OF MEETING: November 7, 2011

REQUESTED BY: Carson Smith, Sheriff

SHORT TITLE: Resolution Authorizing Issuance of Purchase Order to Dell Inc. for the Purchase of Computers for Patrol Vehicles: \$20,616.50

BACKGROUND: Several years ago the Sheriff's Office began using computers in patrol vehicles to increase productivity and put more information at the deputy's fingertips. The computers communicate with our Records Management Server (RMS), our Computer Aided Dispatch (CAD), and necessary databases such as Division of Criminal Information (DCI) and the state arrest warrant database (NCAWARE). The computers also contain mapping information and allow communication between the deputies, dispatchers and other emergency service personnel. The computers currently in use were purchased used and we are having increased difficulty in keeping them in good running order. The proposed computer purchase is from Dell Inc. using state contract pricing.

SPECIFIC ACTION REQUESTED: The Board of Commissioners is requested to authorize a purchase order to Dell Inc. for the purchase of ten (10) computers to be used in patrol vehicles as mobile data terminals in the amount of \$20,616.50

COUNTY MANAGER'S RECOMMENDATION

Respectfully recommend approval.
