

REQUEST FOR BOARD ACTION

ITEM NO. 10.

DATE OF MEETING: May 21, 2012

REQUESTED BY: Pender County Board of Education

SHORT TITLE: Resolution Authorizing a Purchase Order to Troxell Communications, Inc., in the Amount of \$11,246.23 for the Purchase and Installation of a Large Theater Size Projector at the Heide Trask High School Auditorium.

BACKGROUND: Of the \$56 million school bond referendum approved by voters on May 3, 2005, \$2.2 million was originally allocated for the construction of a Performing Arts Center at C. Heide Trask High School. On November 2, 2009, the Board Authorized the Schools (following public meetings to obtain the communities' input) to proceed to construct a \$4,399,960 project that would be a combination school auditorium and an auxiliary gymnasium addition. There are funds remaining in this project, sufficient to cover this expenditure.

At this time the Board of Education is requesting approval of a bid from Troxell Communications, Inc., of Fayetteville, NC for the purchase and installation of a Mitsubishi 7000 Lumen Projector at the Heide Trask High School auditorium. They attempted to bid this work however, as indicated in the attached letter, "there are only a few vendors that sell and install them in this area". The Board of Education has approved this selection subject to County Commissioner approval.

The County and Schools have entered into the appropriate agreements to permit the County to pay the bills associated with construction in order to recapture the sales taxes paid and realize a substantial savings.

SPECIFIC ACTION REQUESTED:

The Board of Commissioners is requested to approve a purchase order to Troxell Communications, Inc., in the amount of \$11,246.23 for the purchase and installation of a theater style projector for the new auditorium at Heide Trask High School.

COUNTY MANAGER'S RECOMMENDATION

Respectfully recommend approval.

Re: Bids

We have been seeking bids for a projector to be installed at the Heide Trask High School Auditorium for four months and have only been successful in acquiring two bids. The projectors are designed for theater applications and there are only a few vendors that sell and install them in this area. The low bidder installed the projector in the Auditorium at Topsail High School and we have been pleased with their product. This projector will be used by the school for educational purposes, training, drama productions and other presentations to enhance learning. There will also be opportunities for public use of the facility.

We respectfully request that Troxell Communications Inc. of Fayetteville N.C. be awarded the contract for the purchase and installation of the referenced equipment in the amount of \$11,246.23. A copy of the bid is attached for your information. Funding for this project will come from the funds approved for Heide Trask High School.

The bids received are listed below:

1. Troxell Communications of Fayetteville NC-----\$11,246.23
 2. North Carolina Sound of Goldsboro NC-----\$18,336.15
-

Thank you for your support of Pender County Schools.
