

## PUBLIC INFORMATION

ITEM NO. 2.

**DATE OF MEETING:** June 18, 2012

**REQUESTED BY:** Kenneth Vafier, Senior Planner, Department of Planning and Community Development

**SHORT TITLE:** Update on Currie Small Area Plan

**BACKGROUND:** At the November 7, 2011 Board meeting, staff was authorized to move forward with the development of a Small Area Plan for the Currie area. A public kickoff meeting was held on January 28, 2012 and a Steering Committee was appointed at the February 21, 2012 meeting. The Steering Committee, Planning staff, and project stakeholders have held 3 meetings and have accomplished the following objectives thus far:

- Introduced Small Area Planning process to Steering Committee;
- Completed Public Input Survey and analysis of results;
- Identified project study area;
- Completed vision statement, existing conditions and history sections of document with associated theme maps;
- Completed goals for topics of Services/Utilities, Land Use/Economic Development, Housing, and Community Heritage/Sense of Place;
- Identified desired goals to draft topics of Recreation and Transportation.

Staff intends to have a first completed draft available for the July 12 Steering Committee meeting, followed by additional public input opportunities in late summer and initiation of the adoption process in Fall 2012. An updated project schedule is attached.
