

PUBLIC INFORMATION

ITEM NO. 17.

DATE OF MEETING: December 3, 2012

REQUESTED BY: Judith Herring, Housing Director

SHORT TITLE: Resolution Authorizing Acceptance of the Pender County Housing Needs Assessment Survey Report.

BACKGROUND: At the May 7, 2012 Board meeting, the County approved a contract with Holland Consulting Planners to perform a survey seeking information regarding the need for Work Force housing, Senior Housing, Low-income Housing and other critical housing needs. The information is needed to assist the Housing Department, Planning Department and other interested parties as they develop plans for growth and infrastructure development in the County. It will also assist outside parties who are interested in developing housing in the County by focusing attention on the areas of greatest need.

The report developed from the Survey was presented to the Board at the November 19th meeting. The Board is asked to authorize acceptance of the report as one tool to guide plans for increasing the availability of decent, safe and sanitary housing as well as infrastructure development in the County. The information in the report may be used to support future Board action in these areas.

COUNTY MANAGER'S RECOMMENDATION
