ITEM NO. 6

DATE OF MEETING: January 7, 2013

REQUESTED BY: Michael G. Mack, Utilities/ Solid Waste/Public Works Director

SHORT TITLE: Presentation of the Old Topsail School Renovation Assessment and Feasibility Study.

BACKGROUND: At the August 6, 2012 Board meeting, staff was directed to conduct a feasibility and cost/benefit assessment of renovating the Old Topsail School property on Highway 17 in Hampstead. A hard copy of the feasibility and assessment has been provided to the Board for review. A vote to act or not on the renovation efforts will be requested at a later date based on the direction from the Board.

Mr. Mack will distribute additional information at the meeting.
