

DISCUSSION

ITEM NO. 12.

DATE OF MEETING: March 17, 2014

REQUESTED BY: Commissioner George R. Brown; Health and Human Services Director, Carolyn Moser.

SHORT TITLE: Discussion and Possible Vote Regarding Department of Social Services Comp Time Pay.

BACKGROUND: Pender County Department of Social Services employees have logged numerous hours as the agency has implemented the NC FAST Program. In August 2013, the Board of County Commissioners voted to reimburse these employees once the fiscal year had been closed out and the audit accepted. Original plans were to present the audit findings at the March 17, 2014 meeting. However, this presentation will not be made until April 2014. Discussion is requested to consider paying out this comp time in March instead of waiting.
