

REQUEST FOR BOARD ACTION

ITEM NO. 11

DATE OF MEETING: June 16, 2014

REQUESTED BY: Carson Smith, Sheriff

SHORT TITLE: Resolution Authorizing Issuance of Purchase Order to Motorola Solutions for Radio Programming associated with VIPER P25 Migration: \$12,000.

BACKGROUND: On June 24th, the state will be changing over the VIPER system from a P16 technology to P25 technology. The new technology will expand the capability of the VIPER network. All of the public safety radios with Pender County will have to be reprogrammed. That reprogramming has begun as we continue our plan to deal with the State's migration to P25 technology. This action would approve funding to have all county VIPER radios programmed to be functional after the switchover day. This includes all law, fire, EMS, EM, and Forest service radios. This was not budgeted in the FY 13-14 Budget Ordinance. Funding will come from unneeded funds in the Forest Service Protection line item.

SPECIFIC ACTION REQUESTED: To consider a resolution authorizing a purchase order to Motorola Solutions for radio programming of county VIPER radios in the amount of \$12,000.

COUNTY MANAGER'S RECOMMENDATION

Respectfully recommend approval.
