PUBLIC INFORMATION

1. **ABC Board Chairman Don Hall: Quarterly Report on the Pender ABC System Involving Financial Information and Other Progress.**

Mr. Hall explained this update is for the quarter of October-December, 2014. Mr. Hall distributed the Pender County ABC Financial Distribution Report and explained the amounts in the report that were paid out locally and to the State. He mentioned that all the needed upgrades have been completed and there are no major projects in the foreseeable future. Brief discussion ensued regarding how funds are distributed from the revenue generated from the store in Hampstead which is in an unincorporated area and other laws regarding ABC stores.

PUBLIC COMMENT

Carolyn Crews Odom of Rocky Point spoke requesting assistance with her neighbor's dogs. She stated that the neighbor has been cited for letting the dogs run and one is aggressive. Ms. Odom stated that since the citation, the aggressive dog has not been seen. Not only have the dogs chased her, but also her elderly neighbor. Sheriff Smith commented on the Dangerous Dog Ordinance that is being developed. According to Sheriff Smith in this case, this ordinance may not matter because there was one instance that Ms. Odom was in their yard. Traps have been put out, but no dogs have been caught. Ms. Odom stated that she will be back if nothing is done.

Ms. Odom also spoke to the Commissioners regarding a water issue. She stated that she has had several leaks recently and when she spoke with the County Manager to see what could be done. Mr. Woodruff referred Ms. Odom back to the Utilities department to see how they could help her. She stated that she was concerned about all of the senior citizens being put on the system. Ms. Odom commented that a payment plan offered by Utilities will not help some of these senior citizens who are on fixed incomes and requested that the Board of Commissioners look at an option that might help for in the future.

CONSENT AGENDA

Chairman Williams presented the three items on the Consent Agenda and asked for any discussion or questions. Mr. McCoy had a question regarding Item # 3 asked for verification as to the fee for out of county users. Mr. Mack stated that since the tax payers are already paying for the building, they should not be required to pay to use the building. Mr. Mack stated the policy will probably have to be edited a little bit once people start to use the facility but noted that this is a starting point. After a question from Mr. Tate, discussion ensued regarding insurance requirements for renters. Mr. Brown suggested that when the County edits the policy that an insurance requirement be added. There being no other discussion, Mr. Tate made a motion to approve the Consent Agenda, Mr. Brown seconded the motion and the Consent Agenda was unanimously approved as follows:

2. Approval of Minutes: Special Meeting January 26, 2015 as well as Regular & Closed Session February 2, 2015.
3. Resolution to Approve a Public Use of County Facilities Policy for the Hampstead Annex Building.
4. Resolution authorizing a budget amendment for Fund 60 – Capital Improvements Budget.
5. Resolution Approving the Adoption of the 2015-16 Fiscal Year Budget Calendar.

RESOLUTIONS

6. **Resolution to Award a Construction Contract for the Construction of the Pender County Rocky Point Fuel Depot Located at 14436 NC Hwy 210 Near the EMS Fire and Rescue Facility Located in Rocky Point.**

Utilities Director Michael Mack explained: Informal Bids were solicited from the following contractors on Jan. 22, 2015; Norris Grading, Elite Construction, Landmark, Freeman Curb and Gutter, and R. A. Casper Construction. Bids were received and publically recorded on Feb. 5, 2015. Landmark Grading, Inc. was the only bid that was received for \$155,100 including all site work and construction. Mr. Mack stated that Landmark Grading, Inc. has done work for Pender County in the past and the County has been very pleased with their work. Mr. Mack stated that this amount falls right in line with what was budgeted for this project. Mr. Brown asked about the location in Rocky Point regarding EMS and Heide Trask School. Mr. Mack stated that the traffic for the Fuel Depot will not interfere with EMS or the School and that they would have their own driveway. There being no other discussion, Mr. Brown made a motion to approve the Resolution, Mr. McCoy seconded the motion and the resolution was approved by a 4-0 vote.

7. **Resolution to Amend Fire District Response Lines for the Penderlea, Shiloh, and Burgaw Fire Departments.**

Fire Marshall Charles Newman explained: In the early 90's, Pender County approved going to center line fire districts to determine where fire districts would meet. Center line districts mean one fire department covers one side of the road another fire department covers the other side of the road. With center line districts it causes residents to have different ISO ratings depending on which side of the road they live on. Mr. Newman added that approving changing Fire District lines for these three departments will bring property owners across from each other into the same ISO rating, while lowering insurance cost for some residents. He showed the commissioners the area changes in the districts. Discussion ensued about response times, tax revenue differences, and future action. Mr. Thurman suggested that if this resolution is approved, the changes take effect now, but the tax changes take effect when the next budget is approved. Mr. Newman agreed stating that would be the case. There being no other discussion, Mr. Tate made a motion to approve the Resolution, Mr. Brown seconded the motion and the resolution was approved by a 4-0 vote.

8. **Resolution to Authorize Changing the Commissioner Meeting Schedule from the First and Third Monday Monthly to a Second and Fourth Monday Meeting Schedule.**
After some brief some discussion, the Board decided to table this item until the next meeting when Mr. Piepmeyer returns.
9. **Resolution Approving Funding in the Amount of \$1500 to Pender High School to Attend the HOSA State Competition.**
Mr. Tate requested that this item be removed from the agenda.

ITEMS FROM THE COUNTY COMMISSIONERS

Mr. Tate also requested that Mr. Woodruff schedule a time with him to tour his district including the schools, fire departments, farmers, and transfer stations.

Mr. Brown – Mr. Brown talked about Fox Trapping because of a phone call he received from a concerned citizen. He asked if Wildlife could come in and answer some of the questions regarding Fox Trapping and Coyote hunting. Mr. Williams will see if the gentlemen from Wildlife he spoke with would attend.

Mr. McCoy – Mr. McCoy commented on the Animal Shelter and invited other Commissioners and the public to visit. He stated that he is very proud of the improvements that have been made. Mr. McCoy also mentioned that his district and Mr. Tate's district is backwards on the website and requested this be fixed.
