My qualifications for appointment to the Animal Control Ordinance Review and Recommendation Committee:

I have been operating a boarding kennel in Wilmington, NC since 1988. During that time I have observed people and their pets and have learned a lot about both. I also served as a member of the New Hanover County Animal Control Advisory Board. One of the unfortunate duties of that board was to hear cases that involved animals who had bitten or attacked other animals or people.

Pender County has experienced a lot of growth in the last 20 years. Citizens and animals are coming into closer proximity and problems are arising as a result. It is important that the County take steps now that provide for the health and safety of both its citizens and its pet population.
