Dear Mr. Collins,

I am pleased to inform you that your county has been awarded a 2015 Tier II grant award in the amount of: **\$1,104.04**. This grant is provided from hazardous materials facility filing fees collected during the 2014 Tier II reporting period (January 1-March 1, 2015).

These funds are to be used by your county's LEPC for hazardous materials emergency response planning, training, and related exercises. Attached is the grant award outlining the terms of use for these funds.

For 2015, the available grant funds are being divided evenly among the state's 89 LEPCs. A workgroup has been formed consisting of local emergency management coordinators representing nine LEPCs from across the state to develop grant guidance and a distribution mechanism for the 2016 Tier II grant award. Further information about the 2016 grant award cycle will be forthcoming.
