ITEM NO. 1

DATE OF MEETING: August 10, 2015

REQUESTED BY: Michael G. Mack, Utilities Director

SHORT TITLE: Presentation of Certificate of Appreciation to Amanda Smith Rochelle for gathering and reproducing twenty (20) 16" x 20" Photos of Old Hampstead Community Events and People for Permanent Display in the Hallways of the Hampstead Annex.

BACKGROUND: Ms. Rochelle took the initiative to work collaboratively with current and former residents of Hampstead to gather timeless photos of days past in the Hampstead Community. Working from the photos she was loaned, she personally paid to have each one enlarged to a standard 16" x 20" format to create a uniform appearance for the permanent displays now hanging in the first floor hallway of the Hampstead Annex. A dedication plaque will also be placed among the photos in appreciation of all her efforts to provide a historic perspective of Old Hampstead for all those who will visit the Hampstead Annex for many years to come. The plaque reads "Photographs for this project were gathered through a collaborative effort amongst the people of Old Hampstead and provided by Amanda Smith Rochelle in remembrance of the countless years of love and dedication that her father Burns Smith and so many other have put forth for the Hampstead community. May walking down these halls always be a reminder of the friends we made, the memories we created, and the lessons we learned. Special thanks to Steve Edens for his enormous contribution of Hampstead photographs and history."
