

REQUEST FOR BOARD ACTION

ITEM NO. 10

DATE OF MEETING: August 10, 2015

REQUESTED BY: Dennis Boyles, Director; Pender County Board of Elections
Erik Harvey, Director; Pender County ITS Department

SHORT TITLE: Approval of a Purchase Order to Best Buy Business Services for 70 laptop computers in the amount of \$16,366.95: \$15,000 from the BOE, \$1,366.95 from IT budget.

BACKGROUND: In 2007, Pender County received 17 laptop computers compliments of a HAVA grant the State Board of Elections received from the Federal Government. During the 2009-2010 fiscal year, the Board of Elections, using County fund, purchased 40 off-lease laptop computers to use as electronic poll books in the voting precincts. Microsoft no longer supports Windows XP and the State Board of Elections' latest software update will not run on Windows XP.

Three quotes were obtained. Best Buy For Business was selected based on deadline requirements given by the State Board of Elections and order fulfillment.

Subject: Upcoming March Release: Windows XP; Voter Card Export Layout

Good Afternoon,

The "[SEIMS Hardware Guide](#)" on the intranet has been updated site for the upcoming SEIMS release. There are not many changes but notably, the XP/vista support is dropped.

This means that SEIMS applications (including SOSA/OVRD) will no longer function with Windows XP or Vista.

Effective with the March SEIMS Release, there will be new layouts for the voter card export files. If you outsource your mailings, please share this information with your vendors as soon as possible.

The March SEIMS Release will include:

1. Provisional Voting functionality in SOSA/OVRD.
2. Religious Objector information in VoterView
3. 2D Barcode Scanning in SOSA/OVRD to identify expired driver licenses for upcoming Photo ID implementation
