Pender Adult Services will be subsidizing the cost of this program from their operating budget. Fares will be charged to allow a reduced amount of subsidy. The administrative portion provides for the Transportation Coordinator salary, the Transportation Coordinator Assistant's salary, motor vehicle transit management services, vehicle insurance, marketing materials, employee training, postage, and computer supplies, etc. This year's capital request contains a total of \$111,061, which replaces 2 vans that have exceeded their useful lives at a cost of \$104,500 to include bike racks and cameras for each van with vehicle lettering. Security cameras have been requested for this year totaling \$6,100. This service is required, by law, to be provided for the benefit of Department of Social Services clients.
