Re: Business License- Tax Collections Office

The Pender County Tax Collections Office no longer issues a Privilege License. This License was only a Tax License on the business and is in no way regulated the business in Pender County. The Pender County Board of County Commissioners approved by resolution to repeal this Tax License on 6/5/2000.

It may be necessary you contact other City, State and Federal Offices to find out if a License is needed on their behalf. You may also contact the Business License Information Office at 1-800-228-8443. The phone number may change without knowledge of this to Pender County Tax Collections Office.

Thank You,
