## Solid Waste Stickers

- Two solid waste stickers, maximum of four, are issued per household for eligible county residents which have paid their annual Solid Waste Fees. The solid waste stickers are good for two years with a current expiration of Dec. 2016. The solid waste stickers are mailed to county residents every two years based on the issuing year tax roll and property ownership. The next issue of solid waste stickers will be mailed in early January/2017 and will be valid thru December/2018.
- Additional solid waste stickers, beyond the four per household maximum, can be obtained for \$5.00 at the Pender County Utilities Office, the Pender County Transfer Site, and the Pender County Hampstead Annex.
- Solid waste stickers issued mid-year will be charged a pro-rata rate based on the time of purchase.
- All eligible Pender County residents utilizing the Convenience Center Sites will be required to display valid solid waste stickers on the inside of your windshield in order to leave waste or recycling at any of the Pender County Convenience Sites.
- Eligible county residents include residents which do not live in the incorporated areas of Pender County. Residents living within incorporated areas will not be issued solid waste stickers.
