Emergency Food, Emergency Assistance Programs, Free/Low Cost Fuel; works with Senior Citizens of Pender & Safe Haven, etc. Services provided include assistance in preparing for finding and maintaining employment, enrolling in educational programs, obtaining standard housing, and enrolling in benefit

programs. Emergency assistance provides for the immediate need of the client. Clients learn to manage available resources through budgeting, comparison shopping, and energy conservation. A self-sufficiency plan is developed by the client with the assistance of trained staff. Income tax returns are prepared for eligible tax payers through the Volunteer Income Tax Assistance (VITA) program. Families and individuals who are homeless are helped by securing standard housing. Educational, employment, and other client-specific services are provided to assist them in becoming self-sufficient.

**Four County Community Services - Pender County
Community Services Block Grant Program**

Phone: (910) 259-3274

PO Box 1457, 112 South Dickerson Street, Burgaw, NC 28425

Office Hours: Mon – Fri., 8:30a.m. - 5:00p.m.

It is the purpose of this agency to determine the problems and needs of the low-income population in its service area and to design and operate programs that enable them to gain skills and opportunities necessary to become self-sufficient. Our mission is to help people help themselves by providing services which enable them to develop marketable skills, reduce barriers to employment, teach living skills, improve living conditions, and improve the quality of life. This mission is achieved through the many programs operated by the agency. The only program with a waiting list is Weatherization Services.

**Four County Community Services
Weatherization Assistance Program**

Phone: (910) 259-3274

PO Box 1457, 112 South Dickerson Street, Burgaw, NC 28425

Office Hours: Mon. – Fri., 8:30a.m. - 5:00p.m.

Services provided under this program are related to weatherizing the home. Energy conservation, comfortable home and lower utility bills are achieved through the services provided by the Weatherization Assistance Program. Long term benefits are realized and savings of up to 27% are achieved annually on energy bills over the life of the measures installed which is estimated to be 20 years. Services provided are determined by the Weatherization Department.
