

Pender County Solid Waste Trash and Recycling Sticker Information

Why are there two different solid waste stickers types and how is it determined which solid waste sticker I should receive?

The two solid waste sticker types include a **Full Use Sticker** and a **Recycle Only Sticker**. The type sticker you receive is based on the Solid waste Fee you paid with your tax bill. If your tax bill Solid Waste fee is coded Reduced, you paid an **annual fee of \$110.00** which allows recycling only. (Reduced code is listed on your tax bill because the tax office received a statement from private trash hauler indicating you were a customer receiving such a service). If your tax bill Solid Waste Fee is coded Full Use, you paid an **annual fee of \$220.00** which allows full use of the convenience sites.

What is the difference between the two solid waste stickers?

The **Full Use sticker** allows disposal of **household trash and recyclable materials** at all the convenience sites. Limited quantities of construction debris, large household items under 200 lb. a day may be disposed of at the Burgaw, Rocky Point and Willard sites with the exception that loads of the materials exceeding 200 lb. must be disposed of at the Transfer Station Scale House in Hampstead and a fee imposed according to the current tonnage rate fee.

The **Recycle Only Sticker** only allows disposal of **comingled recyclable materials** at the convenience sites. All other materials must be disposed of at the Transfer Station Scale House and fee imposed according to the current tonnage rate fee.

How do I change the solid waste sticker I received?

If you received a **FULL USE sticker** and would like a RECYCLE ONLY sticker you need to show proof via current private hauler invoice, exchange your full use stickers for recycling only and notify the tax office to change your solid waste fee code. A refund will be provided within 60 days.

If you received a **RECYCLE ONLY sticker** and would like a Full USE, you must pay the difference in cost and notify the tax office to change your solid waste fee code.
