

NOTICE

of

ROAD CLOSURE

Last year, a record 100+ inches of rain and Hurricane Florence caused one washout and two sinkholes on sections of Cedar Avenue between #210 and Landing Drive near Surf City.

To mitigate the associated risks, traffic on Cedar Avenue was restricted to single lane in April.

May 25, 2019 through May 27, 2019 Cedar Ave. will be closed to through traffic for repair of a damaged section. The closure will be near the intersection of Ashley Lane and Cedar Avenue. Barricades and signage will be placed.

Your patience is appreciated.
