Limited Food Establishment Permit Application

"Limited food services establishment" means an establishment as described in G.S. 130A-248(a4), with food handling operations that are restricted by rules adopted by the Commission pursuant to G.S. 130A-248(a4) and that prepares or serves food only in conjunction with amateur athletic events (**concession stands**).

PLEASE NOTE: The permit application shall be submitted to the local health department at least **30 days prior to construction or commencing operation**. The permit application shall include a proposal for review and approval that includes a menu, plans, and specifications for the proposed limited food establishment, and location and dates of operation. Limited Food Establishment Permits expire on December 31 of the calendar year and must be renewed annually.

Once the application is received by the Pender County Health Department, an Environmental Health Specialist will contact you to schedule the inspection for the concession stand. Please see the Limited Food Establishment Checklist to serve as guidance for the opening inspection.
