Site Directions: _____

Purpose for Service Pole: _____

Electrical Contractor: _____ Phone # _____

Address: _____ City/State: _____ Zip: _____

License #: _____ Email Address: _____

There shall be NO buildings, campers, trailers or storage buildings connected to the service pole. The service pole may be revisited to determine that no additional unauthorized connections or uses are taking place without properly securing approval through the permitting process. Illegal use of the service pole will result in disconnection by the Utility Company and possible fines. Note: Approved use of service pole must be present at time of inspection. (Ex. water pump)
