

Worried about mosquitoes? Remember to Tip, Toss and Cover...

TIP AND TOSS

ONCE A WEEK...

TIP CONTAINERS- drain standing water from garbage cans, pet bowls, birdbaths, flower pots, gutters, pool covers or any other container that has collected standing water. Mosquitoes breed in standing water.

TOSS- old tires, drums, bottles and other outdoor items that are outside and are not being used.

EMPTY AND SCRUB- birdbaths and pet's water bowls at least once or twice a week.

ONCE A MONTH...

MAINTAIN- apply a larvicide to standing water that cannot be emptied or drained. Larvicides can be found at home improvement and hardware stores.

COVER

For more information contact
Pender County Health Department
Mosquito Control Division

910-259-1326

COVER YOUR SKIN WITH...

CLOTHING: Wear long, loose, and light colored clothing and shoes and socks.

REPELLENT: Apply mosquito repellent to bare skin and clothing. Always use repellents according to the label.
