Instructions to schedule a COVID-19 Vaccination Appointment

It is only possible to schedule an appointment when vaccine is available. Monitor the Pender County website pendercountync.gov; Facebook Page; or local news media for appointment availability. Currently, we are offering the Moderna vaccine. There are two options to register for a COVID-19 vaccination and you cannot pre-register. Instructions on how to register are below: on-line (blue) or by phone (yellow).

Steps for On-Line Registration

**STEP 1**
When appointments are available, click on the registration link in the red banner on the Pender County Government website: www.pendercountync.gov

**STEP 2**
In order to schedule an appointment you must be a health care worker or 65 years of age and older

**STEP 3**
Select an appointment time and complete the on-line registration form

**STEP 4**
You are all set! We will see you for your appointment. You will receive a text confirming your appointment. If you need to cancel this appointment, use the on-line portal

Steps for Phone Registration

**STEP 1**
When appointments are available, call the Pender County Health Department COVID-19 Vaccination Information line: 1-910-663-4200

**STEP 2**
Questions will be asked to determine if you are a health care worker or 65 years of age and older

**STEP 3**
If you are eligible to receive the vaccine, a staff member will book your appointment. (Please have your insurance information available)

**STEP 4**
You are all set! We will see you for your appointment. If you need to cancel your appointment, please call: 1-910-663-4200

In order to practice social distancing, plan to arrive five minutes before your appointment. This is a two-dose series. An appointment will be made for your second dose before you leave.
